Author: Ginger Kirila

Kirila racing is coming down the home stretch to the end of the 2007 race season.

We would like to give everyone an update to our race schedule for the remainder of the season:

Saturday, September 15, 2007 Lake Erie Speedway
Two races Saturday night.

Saturday and Sunday September 22,23 Columbus,
OH

October 11 – 13, 2007 The Bullring in Las Vegas, NV
for the INEX Legends Asphalt
Nationals.

Our team will be racing this weekend at Lake Erie Speedway. It will be a double feature due to rain last Saturday night. In addition to Gene racing his Legend there, Jesse will be racing his bandalero as well for his first time at Erie.

This is the last weekend that Lake Erie Speedway will be racing for this 2007 season.

Our schedule brings us to Columbus, OH the weekend of September 22, 2007 for a double header of racing on both Saturday and Sunday.

Then it's out west for the INEX Legends Asphalt National race at the Bullring in Las Vegas, NV. This will be a very exciting time for our team. Gene won a qualifier race during the summer which guarantees him a spot in the national feature race.

With the great experience and opportunities Gene has had this season, we feel he is ready to do a great job at this important event.

We will keep you posted on the wrap up of our season.

Two weeks ago at Lake Erie Speedway, we had several special guests with us. Gene's Grandfather – Buff and his cousin Will. Buff and Will came here from New Jersey. Buff ran Gene's backup legend in the hot laps. He was unable to race the heat or feature due to a bad ignition box. It was memorable night for our team.

Thank you to all of our family and friends for all your support. Thank you Devo, Gray and Mitchell Coble, Dog and Thanks a million to Marty Belik !!
